

SWOSU Biology Seniors to Present Posters April 28

04.22.2008

Southwestern Oklahoma State University biology senior student presentations are scheduled for Monday through Wednesday, April 28-30, on the Weatherford campus.

Nine SWOSU students will be available at their presentations on Monday, April 28, from 4-5 p.m. on the second floor of the Old Science Building on the SWOSU campus. The presentations will remain on display through April 30. The public is invited and encouraged to attend.

Topic theme for this year is "Medicinal Plants," according to Dr. Lisa Boggs.

Students presenting posters are: Cyril Akhigbe, Ada; Nichole Hanselman, Owasso; Joy McKillip, Weatherford; Tyler Miller, Weatherford; Garrett Scott, Granite; Migun Shakya, Nepal; Ray Tate, Weatherford; Deacon Vice, Apache; and Lynn Wright, Sayre.
